Borrower Paid Mortgage Insurance Premium: Your mortgage loan requires a borrower paid mortgage insurance premium ("MIP"). MIP is insurance from the Federal Housing Administration ("FHA") that protects lenders against loss in the event a borrower defaults on a mortgage.

Effective for all loans closed on or after January 1, 2001, FHA annual MIP will be automatically cancelled under the following conditions:

Loans with FHA case numbers assigned before June 3, 2013:

- Mortgage loan terms greater than 15 years: the annual MIP will be cancelled when the loan to value ratio reaches 78%, provided the mortgagor has paid the annual mortgage insurance premium for at least five years.
- Mortgage loan terms less than or equal to 15 years with a loan to value ratio greater than 78%: the annual MIP will be cancelled when the loan to value ratio reaches 78%.

FHA will determine when you have reached the 78% loan to value ratio based on the lower of the sales price or appraised value at origination. New appraised values will not be considered. Cancellation of the annual mortgage insurance premium will normally be based on the scheduled amortization of the loan. However, in cases where additional payments have been applied to the loan balance as a prepayment, cancellation can be based on the actual amortization of the loan. If you have prepaid and believe you have met the requirements for cancelling the FHA insurance, please send a written request to us at P.O. Box 1288, Buffalo, NY 14240.

Loans with FHA case numbers assigned on or after June 3, 2013:

- Mortgage loan terms greater than 15 years with loan to value ratio greater than 90%: duration of the annual MIP is the loan term.
- Mortgage loan terms greater than 15 years with loan to value ratio less than or equal to 90%: duration of the annual MIP is 11 years.
- Mortgage loan terms less than or equal to 15 years with loan to value ratio greater than 90%: duration of the annual MIP is the loan term.
- Mortgage loan terms less than or equal to 15 years with loan to value ratio less than or equal to 90%: duration of the annual MIP is 11 years.

M&T Bank is attempting to collect a debt and any information obtained will be used for that purpose. To the extent your original obligation was discharged, or is subject to an automatic stay of bankruptcy under Title 11 of the United States Code, this statement is for compliance and/or informational purposes only and does not constitute an attempt to collect a debt or to impose personal liability for such obligation. However, M&T Bank retains rights under its security instrument, including the right to foreclose its lien.

PROJECTED ESCROW PAYMENTS OVER THE NEXT 12 MONTHS

Anticipated Annual Disbursements

Mortgage Ins:	\$1,977.84
Hazard Ins:	\$744.27
Taxes:	\$5,243.95
County Tax:	\$2,932.55
City Tax:	\$284.49
Total:	\$11,183.10

As allowed by federal law (RESPA), our projections include an escrow reserve (or cushion) equal to two monthly escrow payments (excluding MIP/PMI), unless state law specifies a lower amount.

Projected Escrow Balance Summary

M&T Bank expects to pay \$11,183.10 over the next 12 months.

Here's how to calculate your new monthly escrow payment:

Total taxes and insurance:	\$11,183.10
Divided by 12 monthly payments:	\$931.93

***New Monthly Escrow Payment: \$931.93**

Anticipated Activity Summary

Projections for the coming year: The following summary shows anticipated activity in your escrow account for the next 12 months, which was used to calculate your payment above.

Mar 2025	\$931.93	\$164.82	Risk Bsd FHA	\$2,789.34	\$3,068.43

Escrow Requirements, New Mortgage Payment and Anticipated Annual Disbursements:

Projected Beginning Balance	\$2,789.28
- Required Minimum Balance	\$3,068.37
Shortage Amount	\$149.46

Your lowest monthly escrow balance for the next 12 months should reach \$1,534.21, which equals a total of two months' escrow payments. To reach this balance, your required escrow amount after your Mar 2024 payment should be \$3,068.37, whereas your actual escrow balance is \$2,789.28. The difference, \$149.46, represents the amount needed in your escrow account and will be spread over the next 12 payments unless this amount is paid in full.

**This has been adjusted for the bankruptcy proof of claim.

Each year we will project escrow account activity for the next twelve months based upon the best information available. However, these will only be estimates, and even slight differences can affect the preciseness of our projected escrow activity.

M&T Bank is required to provide the following information regarding your escrow account.

- (1) We are obligated to make all property tax and insurance (if applicable) payments in a timely manner and we are responsible for any penalties or interest for bills not paid on time.
- (2) We are obligated to collect 1/12th of taxes and insurance (if applicable) as a monthly escrow payment, unless there is a surplus or shortage on the account, in which case a greater or lesser amount may be required.
- (3) We must deposit the escrow funds in a banking institution whose deposits are insured by a federal agency.
- (4) We cannot charge any fees for maintenance of the account, including our providing an annual escrow analysis statement for the preceding 12-month period.

Helpful information about your mortgage escrow disclosure statement.

To help you better understand your statement, as well as escrow accounts in general, answers to some of the most frequently asked questions are listed below.

Q Why am I getting this statement?

A Mortgage lenders are required by regulations to perform an annual review of your account and provide a hard copy statement for your records.

Q How does an escrow account work?

A A mortgage escrow account allows you to pay ongoing property tax and homeowner's insurance costs within your monthly mortgage payments. These additional funds accumulate in your escrow account, managed by M&T, and we pay property taxes, homeowner's insurance and any mortgage insurance on your behalf when they are due.

Q How is my escrow payment determined?

A To determine the appropriate funds are collected for the escrow portion of your payment, we use the following calculation:

*12 months of anticipated escrow payments,
accounting for any existing escrow balance*

+ escrow reserve

÷ 12

= monthly escrow payment

The escrow reserve (or escrow cushion) is the amount of money collected to cover any unanticipated increases in your real estate tax or insurance premium payment. It acts as a buffer and helps to prevent your escrow account from being overdrawn. An escrow reserve exists on your account unless your mortgage documents or state law applies and is generally a two-month escrow payment.

Q What causes escrow payments to change from year to year?

A Your escrow payment may increase for several reasons. The most common reasons are:

- Increases in your property taxes, insurance premiums, or your property's tax assessment
- Changes in your insurance carrier or your tax due date
- Fewer deposits to escrow than expected

Even though taxes or insurance may go down from the previous year, it doesn't mean escrow payments will also decrease. Analysis calculations for tax and/or insurance are based on last amount(s) paid, or where applicable, from the prior servicer or from closing documents. If you have received more recently updated information from your tax assessor, please forward it to eta@mtb.com.

TIP: Municipalities offer a few common tax exemptions for disability, homestead, senior and veteran status. Check with your local tax office to see if you are eligible for these, or any other exemptions.

Q If there is an escrow shortage, what do I need to do?

A You are not required to pay the escrow shortage in full.

If you do not want to submit the full shortage amount, the escrow shortage will be spread equally over 12 months of payments and your new payment will be higher for the coming year.

If you choose to submit the full shortage amount (partial payments are not permitted), you have two payment options:

- **Online:** Log in to your M&T Online or Mobile Banking account, select your mortgage account and click the "View My Mortgage Info" button. At the top left of the next screen, select "Make A Payment." Your mortgage loan must be current to use this option.
- **By Mail:** Send a check, made payable to M&T Bank with "escrow shortage payment" and the loan number noted on the memo line, to: M&T Bank, Escrow Department, P.O. Box 64787, Baltimore, MD 21264-4787. If you are paying your escrow shortage, the funds will be applied immediately, however your mortgage statement may not reflect changes until the analysis effective date.

PLEASE NOTE: Paying the full shortage amount will adjust your account resulting in the smallest possible increase in your monthly mortgage payment amount. It's important to keep in mind that any increase in your real estate tax amounts and/or insurance premium(s) may cause your payment amount to change even if you pay your shortage amount.

Q Why do I have an escrow overage (surplus of funds) in my account?

A An overage occurs if the current funds and future payments to your escrow account are estimated to exceed the anticipated tax and insurance payments for the next 12 months (escrow analysis period). An overage may occur if taxes or insurance premiums were lower than estimated. When the escrow analysis is completed, the overage amount may be sent to you as a refund check. If the surplus is less than \$50, it will be credited to your payment.
